## Adrenaline South Africa

### 14 DAYS — SOUTH AFRICA

For the adventurous traveller, South Africa is a heart pumping dream-come-true! This natural wonderland offers everything from shark diving to abseiling, from jet boating to helicopter dips. Enjoy hiking Cape Town's famed Table Mountain or whale boating off the tumbled Cape Coast. Once in the bush, the adventure is taken to the next level with an elephant back safari and close encounter with cheetahs, lions and the elusive leopard. Phinda Private Game Reserve is set among eight different eco-systems, guaranteeing more adrenaline-producing thrills and exotic settings. Everyone can try their hand at canoeing, snorkeling and horseback riding on the beach. Gentler pursuits are available, as well: wildlife drives to view herds of elephant, giraffe and white rhino. Luxurious accommodations, mouth-watering cuisine and a full menu of exciting activities provide ample fuel for both body and soul.

### JOURNAL

Alas, the safari has come to an end...  
Not only did I see big cats, I even got to  
watch the whales! What will I remember  
most?...

1. Driving into a herd of 100 elephants.
2. Flying in a Huey helicopter
3. Riding horses on the beach at sunset.
4. Cage diving with Great White sharks.
5. The food. The wine. Everything!
