

Family FOOTSTEPS

Southern Africa Through A Child's Eyes

12 DAYS — SOUTH AFRICA & ZAMBIA

This remarkable journey starts in Victoria Falls — to witness the most awe-inspiring cascade of falling water on earth! Here, and throughout, the special needs of families are thoughtfully tended: family-friendly accommodations with children's menus, pint-sized robes, babysitting and activities for explorers of all ages. In Cape Town, there are endless wonders for kids to discover, from rescued cheetahs and warm water penguins to an African drumming party. Parents will appreciate a well-deserved break on safari — with adult game drives — as kids are looked after by child friendly rangers. Youngsters are taught to collect pods, feathers, and leaves, and how to identify different animal tracks. Fishing and frog safaris also form part of the program, as do arts and crafts. Exploration, discovery and fun are on each day's menu during this exciting family safari for the young and young-at-heart!
