

# Luxury UNDER CANVAS

## Under The Canopy Of Southern Stars

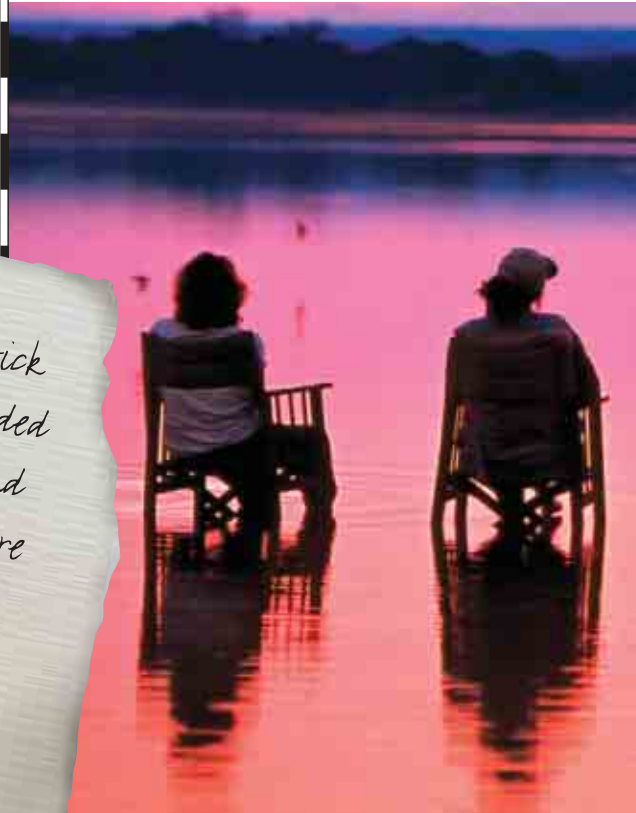

### 10 DAYS — BOTSWANA MOBILE TENTED SAFARI

The real safari — in the classic sense — still exists in the heart of Botswana. This luxurious mobile safari combines modern comfort with the long forgotten spirit of adventure. An activity-filled stay at Victoria Falls completes the full picture of nature's bounty. On your journey you will experience the magnificent glory of the Okavango Delta by mokoro (dug-out canoe), on overland game-drives, and nature walks. Incomparable wildlife viewing beckons from Botswana's Moremi Game Reserve and Chobe National Park, home to the big African cats. Your safari will be an intimate experience of the wilderness and wildlife, while being pampered in comfortable East Africa-style tents and unique lodges. Delicious and innovatively prepared bush cuisine is enjoyed around the campfire, and fine wines accompany good companionship under a canopy of stars.

**AFRICA!**

*Day 3...we didn't have to stick to any agenda rather we abided by the aura of the animals and let the migration carry us where it wished.*

*Day 9...we felt as though we had Africa to ourselves!*
